

NEBRASKA
INSTRUCTIONAL
MATERIALS
COLLABORATIVE

Every Nebraska student deserves the opportunity to learn from high-quality, standards-aligned instructional materials to prepare for success in college, career, and civic life. Through the **Nebraska Instructional Materials Collaborative**, the Nebraska Department of Education and key partners are committed to providing statewide leadership that informs and supports the decisions made locally related to curriculum and instructional materials.

Because materials matter for all Nebraska students.

The Nebraska Instructional Materials Collaborative website highlights high-quality, standards-aligned instructional materials and offers Nebraska-specific guidance documents to ensure materials meet the expectations of Nebraska's Content Area Standards.

The site includes:

- Independent reviews of instructional materials for English Language Arts and Mathematics, as provided by EdReports (with Science coming soon).
- Guidance documents to ensure alignment to Nebraska's College and Career Ready Standards.
- Suggested steps and sample timelines for navigating the instructional materials selection process
- Additional resources to support instructional materials selection and implementation.
